

About COPE SEPB Logo

COPESEPB identifies our union, we are united and we show solidarity;

(the two sail like triangles) identifies the two (2) types of workers we represent :

- professional
- office workers

and the men and women who compose our membership;
and the two linguistic realities of our union;

(the disk over the sails) embodies our activists' commitment to progress:

- respect of our social and union rights;
- defending our members and protecting their well-being;

The Red symbolizes action and protest in support of workers' claims;
our fighting spirit; the color represents the struggles of the
labour movement to achieve our aspirations;

The Blue conveys of sense of dynamism and of energy; the
aspirations of our members and our potential to achieve
them.
