

EQUITY EDUCATION & LEARNING FUNDING PROPOSAL

MISSION

COPE-SEPB is committed to justice, equity, diversity and inclusion (JEDI). COPE-SEPB is committed to achieving, fostering and maintaining this through the education of leaders, stewards and members on such matters. COPE-SEPB recognizes that each region has unique needs thus requiring varying supports to ensure the commitment to JEDI is woven throughout every facet of the union.

To access the financial resources the submitted proposal must be used to promote, educate, and encourage the visibility, inclusion and understanding of equity-seeking communities.

As per Article 13.4 of the COPE National Constitution, equity-seeking communities are defined as: "First nations, Métis, Inuit, racialized people, Two Spirit, lesbian, gay, bisexual, transgender, queer, intersex, asexual, people living with a disability, or young workers [less than 35 years old]".

For the greater success of your project:

- We suggest you submit your funding proposal 90 days prior to the proposed date of event;
- We suggest you consult with local equity-seeking members of your region and community;
- We suggest you refer to the equity event form below if you're using this funding to host an event;
- We ask that there be a follow-up to understand pro's and con's of your proposal to better improve all future projects.
